THANK YOU

The staff and children at Kelling would like to say a thank you to the Friends of Kelling CE Primary.

We are very fortunate to have the support of our families to help fund items for the children which would not be possible without the funds raised.

Whether you are on the Friends committee, have helped out at an event or attended an event, thank you to you for playing your part in Kelling CE School 'achieving excellence in everything'.

With school budgets being cut many schools are just not able to provide this extra-curricular activity.

We would also like to thank all the parents/volunteers who very kindly come in and help in the classrooms or with trips etc. Your support is greatly appreciated.

On behalf of all the staff, very many thanks for the cards, gifts and messages of support. They are much appreciated.

Have a lovely summer - see you back at school on Wednesday 4th September 2024
